Member DeVary expressed concerns about trash and recycling. Cannot be put out for bid until June 2023, when our contract is up. Continued discussion of issues of trash not getting picked up.

Cecilton Senior Village Resident was present. Administrator Cooper asked if residents were happy there and are there anything of a concern/need. She replied that she did not know of anyone who is displeased there. She likes it. One thing she mentioned that it would be nice to have their own community room. Activities on the premises would be nice for those who do not get out and/or drive. Phase II could possibly have a community building. Another thing that would be nice to have would be benches on the four corners for residents to rest and visit on. Discussion of getting funding for Phase II.

Mayor Cooper will be a caller at CVFC Bingo Night in March.

Michael Cooper
Mayor

Respectfully submitted,
